The King's Academy is pleased to announce the upcoming 2010–2011 Annual Sports Program. This is an incredible opportunity to participate as an advertiser in the TKA Sports Program book which is published once a year.

The Sports Program features detailed information of our fall sports, including the marching band and color guard, along with business and personal advertisements. This is an excellent medium to promote your business or organization.

The 2010-2011 Sports Program will be sold at all home football games. All proceeds from the sale of the program books go to support the cheerleading program at The King's Academy.

If you would like to advertise in our program, please complete the enclosed advertising form and mail or email it to the address provided. The deadline for all ads is **Friday, July 23, 2010**. Thank you for your anticipated support and if you have any questions, please do not hesitate to contact me.

Thank You,

Tina Tutwiler
