

What's the right Package for you?

We suggest that you make a list of the guests you will be inviting. Both the number of guests and the age of the guests will help you to determine the best party package for you. The time of day will help you to decide if you will want food items other than birthday cake. Our Party Organizer will confirm your party specifics with you the week of your party. We will do our best to accommodate upgrades after your contract has been signed up until 10 days prior to your contracted party. Party package and date changes are not guaranteed and are subject to a \$20.00 service fee.

What to Wear?

Our Parties are filled with action! We recommend elastic waist shorts and a t-shirt. Leotards are also a favorite (available in our Pro Shop). To avoid damage to the equipment and for the safety of participants, belts, buckles, and jewelry should be avoided and long hair should be tied back.

When Should I Arrive?

In most cases there will be parties before and after yours. To be considerate of everyone, we ask that you arrive no earlier than 30 minutes prior to your scheduled party time. Our staff will help load and unload all of your party supplies both before and after your party. You are welcome to drop off your paper goods at Gym Like This! the day before your party if this helps with your scheduling. Please be sure to "bag" all items and label with your name. Call ahead to let us know you are coming.

Party Safety Rules

Every Participant is REQUIRED to fill out a Participation Agreement and bring it with them on the day of the party. Guests that arrive without this completely filled out and signed will be denied participation. This form is available on our website and will be given to you as part of your party package. We will do our part to ensure that all of our guests have a wonderful party experience while keeping it safe. We ask for your cooperation in the following general safety guidelines.

- NO ADULTS are permitted on ANY gymnastics equipment, trampolines, or inflatable
- Food and Drinks are not permitted outside the Party Room Area.
- No physical or verbal abuse will be tolerated.
- Alcohol, Drugs, Tobacco, and Weapons are not permitted

Your Party Leaders will inform guests of specific rules for each activity at the time of the party. We appreciate your help in keeping the party fun and safe.

Party Information

Party Like This! parties are scheduled for 1 hour and 30 minutes of exciting fun. The first hour is spent in the gym and includes tumble trak, pit fun, bounce house, obstacle courses, and games. All activities are age appropriate for the birthday child and will be led by our professional party staff. The last 30 minutes take place in our party room where our dedicated staff is ready to serve you and your guests.

In addition, GLT! will provide balloons and a coupon for future GLT! services for your guests, tables and white table covers. You must provide any food, drinks, cake, serving utensils, paper goods, ice, and any party favors you choose. We highly recommend pizza, juice boxes, and cup-cake sheet cakes. They are always great kid pleasers.

Our party packages start with a base price, which varies depending on the number of participants and whether it is a weekday or weekend party. You may upgrade any party package to include pizza, additional staff, or additional gym time.

Add on services, date changes and packages may be done up until 10 days prior to the party. Party package and date changes are not guaranteed and are subject to a \$20.00 service fee after submitting your party contract.

Your party will begin and end on time. Please have your guests arrive promptly and be considerate of those parties following yours.

A Note Regarding Gratuities

While gratuity is not required, most clients like to show their appreciation to the party staff for a party well done in a monetary way. For your convenience, and upon your request, a gratuity amount may be added to your party balance the day of your party or paid directly to Party Leaders.

Prices are Subject to Change. (revised 9/13/2010)
